The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
H-307 The Capitol  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Carbonado LOSS Pump Station - Carbonado, WA project in fiscal year 2025. The entity to receive funding for this project is the Town of Carbonado, Washington, located at 250 Coal Avenue, Carbonado, WA 98323.

The funding of \$1,000,000 would be used for the Large On-site Sewage Systems (LOSS) Pump Station for the Town of Carbonado, WA. The pump station will convey wastewater flows from the existing wastewater treatment plant to a town-owned site. The proposed site will provide adequate wastewater disposal for the Town of Carbonado while protecting critical habitat for Endangered Species Act-listed Puget Sound Chinook salmon, steelhead, and bull trout present in the Carbon River below.

This project has a Federal nexus because it is for the purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Kim Schrier, M.D.  
Member of Congress
