The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Muckleshoot Tribe Water System Improvements Project in fiscal year 2023.

The entity to receive funding for this project is Muckleshoot Indian Tribe, located at 39015 172nd Avenue SE, Auburn, Washington, 98092. The improvements would take place at 39620 176th Place SE Auburn, WA 98092.

The Muckleshoot Water System Improvements Project will provide clean water for residential and commercial consumption, fire services, as well as increase the reserve capacity and support future growth.

Current drinking water systems are in critical need for upgrades and system redundancy improvements to sustain water consumption use to over three thousand Tribal citizens, as well as community members residing or co-residing in Tribal housing.

The Project includes detailed design and construction of well equipment, a wellhouse, and connections to the existing water system for a new well.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Kim Schrier, M.D.
Member of Congress
