The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for YWCA North Central Washington Permanent Supportive Housing (PSH) Updating and Modernization in fiscal year 2023.

The entity to receive funding for this project is YWCA North Central Washington, located at 212 First St, Wenatchee, WA 98801. The supportive housing until owned by YWCA is located at 111 Chelan Ave, Wenatchee, WA, 98801.

The YWCA's permanent supportive housing building is in need of critical updates. The apartments were not originally built for modern appliances and electric needs. This funding will make it possible to purchase a new water heater, update heating, cooling and electrical systems and install a weather efficient roof.

YWCA NCW is a lead partner to reduce poverty through housing in the regional planning organization Our Valley Our Future. The case management model YWCA uses helps individuals achieve economic independence and self-sufficiency. Upgrading and modernizing the Permanent Supportive Housing building ensures YWCA can continue to serve the community and provide needed safe and stable housing.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Kim Schrier, M.D.
Member of Congress
